New!

Contractor Series from HoldUp Suspender Company

Here's a new selection of suspenders, featuring the "No-Slip® Suspender Clip." No more clip-on suspenders that keep sliding off your pants! The patented clip has a single, needle-sharp pin in the center of the clasp, which pierces and locks into the waistband – without cutting or damaging the fabric.

These X-back suspenders are made of 2" elastic webbing with a top-grade brown leather crosspatch. Choose your favorite color.
